The Imagine Butte Resource Center hosts a growing community of thinkers and makers working together at the historic Phoenix Building in Uptown Butte. The center was first established in 2014 as a gathering place for creatives to begin making and learning with one another, exchange creative inspiration and craft expertise. The IBRC offers support to community members by maintaining a collaborative meeting ground and providing access to a growing collection of studio resources through workshops, exhibitions and events.

Please fill out all sections below and email to imaginebutte@gmail.com along with your artist statement, CV, and project proposal. We will respond with access to a shared folder to upload images of your recent work.
